MODULE

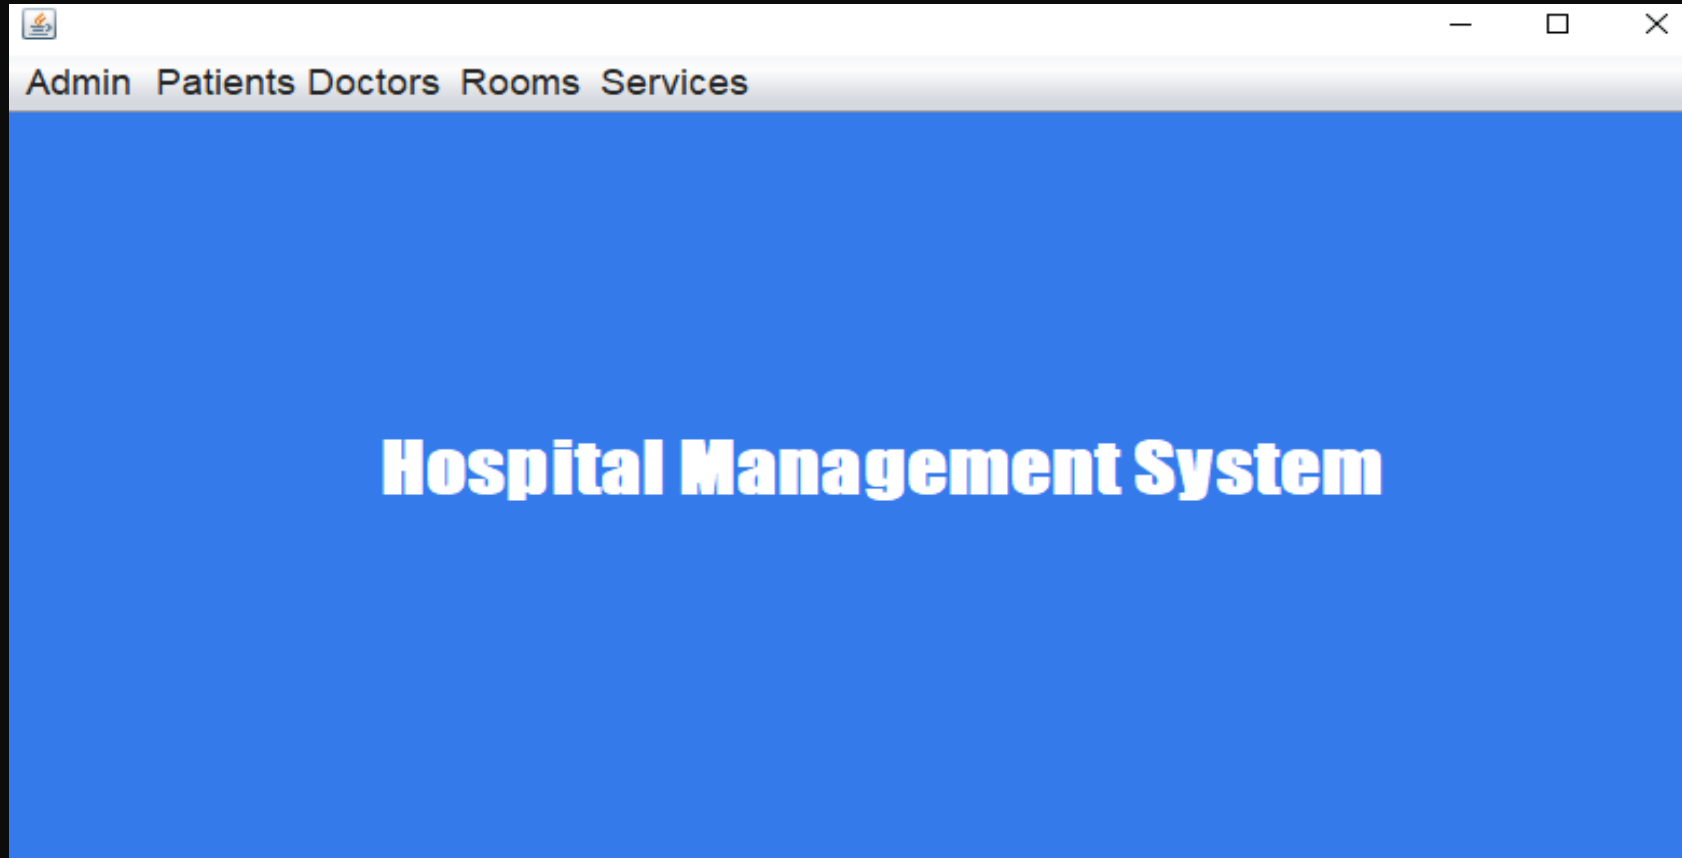

LOGINMODULE

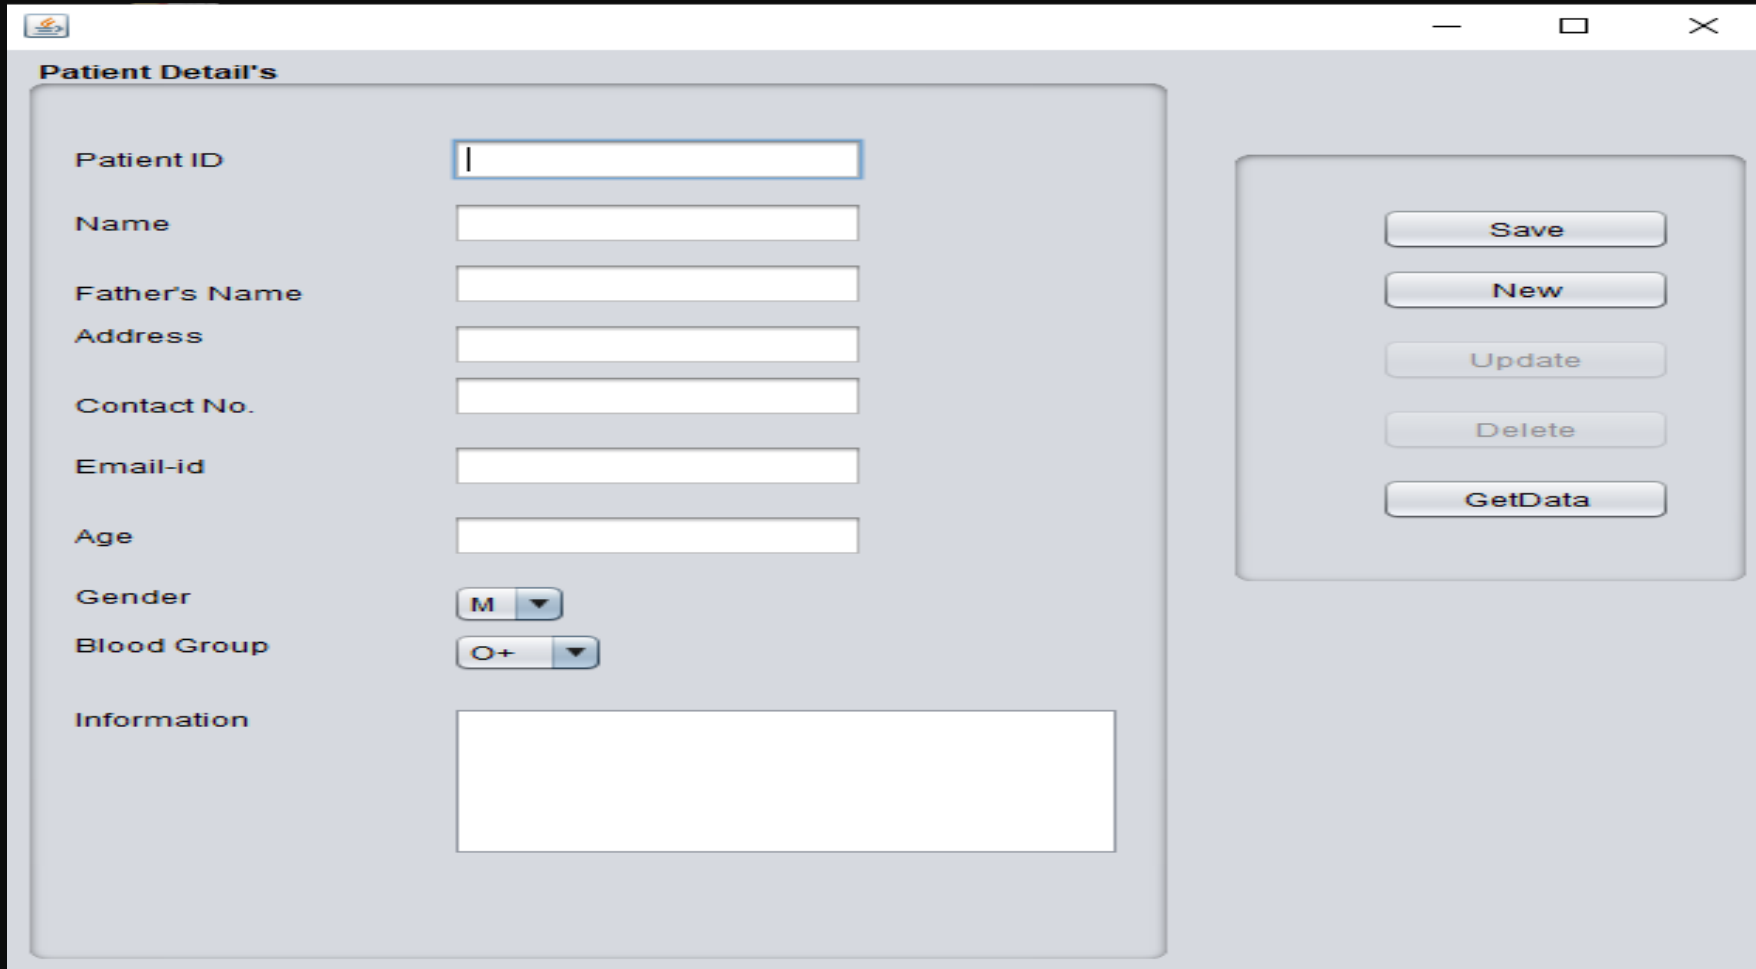

The image shows a software application window titled "NewUser". Inside the window, there is a section titled "User Details" which contains a form with five input fields: "Name", "User Name", "Password", "Email-id", and "Contact no.". The "Name" field is currently selected. To the right of the form is a vertical stack of five buttons: "New", "Save", "Update", "Delete", and "Get Data". The "Update", "Delete", and "Get Data" buttons are disabled.

Email-id	<input type="text"/>
Contact no.	<input type="text"/>

HOME PAGE MODULE

PATIENT MODULE

A screenshot of a software window titled "Patient Detail's". The window has a standard Windows-style title bar with a minimize button, a maximize button, and a close button. The main content area is divided into two sections. The left section contains a form with the following fields: "Patient ID" (a text box with a blue border), "Name" (a text box), "Father's Name" (a text box), "Address" (a text box), "Contact No." (a text box), "Email-id" (a text box), "Age" (a text box), "Gender" (a dropdown menu showing "M"), "Blood Group" (a dropdown menu showing "O+"), and "Information" (a large text area). The right section contains a vertical stack of five buttons: "Save", "New", "Update", "Delete", and "GetData".
